

**SUPPLEMENTAL BID BULLETIN  
ADDENDUM NO. 1**

**REF: Bidding of One (1) Lot ITSD Transfer Project**

The Bids and Awards Committee (BAC) would like to inform the prospective Bidders of the following:

1. The BAC acknowledges receipt of the written queries submitted by the prospective Bidders within the prescribed period.
2. The BAC has required the TWG to answer all the queries raised before the BAC can issue an SBB to officially respond to every issue raised.
3. The Committee hereby defers the submission and opening of bids scheduled on January 22, 2015 until the TWG shall have submitted its response to thoroughly discuss all issues raised, to ensure the success of this procurement and to allow the prospective Bidders to prepare their bids considering the declaration of special non-working holidays on January 15, 16, and 19, 2015 which makes the schedule of submission too short for the prospective Bidders to comply with.
4. The new schedule for the submission and opening of bids will also be announced in the subsequent SBB.

For the guidance and information of all concerned.

This SBB shall form part of the Bidding Documents.

  
**CONRADO C. ZABELLA**  
BAC Chairman
