**SUPPLEMENTAL BID BULLETIN**

**ADDENDUM NO. 2**

**REF: 400 units of Ambulance:**

**January 25, 2016**

The Bids and Awards Committee (BAC) acknowledges receipt of the written queries submitted by the prospective Bidders and hereby issues this Supplemental Bid Bulletin to inform all concerned of the Committee's official response to the issues raised, as follows:

On the issues raised by United Asia Automotive Group, Inc.(UAAGI) through its January 20, 2016 letter:

Query/Clarification	Official Response						
<p>1. No. 2 under Legal Documents which states that "Mayors Permit issued by the city or municipality where the principal business of the prospective bidder is located". May we request that we be allowed to submit the Certificate of Registration and Tax Exemption (CRTE) issued by the Subic Bay Metropolitan Authority in lieu of the Business/Mayor's Permit. Having our principal office located in SBMA, we are not governed by any Local Government Unit but instead by the Subic Bay Metropolitan Authority. The latter entity issues a CRTE instead of Business/Mayor's Permit to those who wishes (sic) to engage in their area of jurisdiction.</p>	<p>The BAC takes cognizance of the fact that UAAGI is a registered locator in the Subic Bay Freeport Zone. However, the requirement for Legal Class A Documents, pursuant to Section 23.1 (a) (ii) of IRR of RA 9184, is the submission of a Mayor's Permit. Hence, the BAC will take the request of UAAGI to submit a Certificate of Registration and Tax Exemption (CRTE) issued by the Subic Bay Metropolitan Authority, in lieu of the Mayor's Permit, under advisement.</p>						
<p>In the Technical Specifications under the following number:</p> <p>III. Medical Equipment and accessories, letter D, which specifies "One (1) Unit Littman Stethoscope", we would like to humbly point out that Section 19 (sic) of the Revised Implementing Rules and Regulations of Republic Act 9184, states that:</p> <p><b>"Section 18. Reference to Brand Names.</b> Specifications for the procurement of goods shall be based on relevant characteristics and/or performance requirements. Reference to brand names shall not be allowed."</p>	<p>The BAC takes note of this observation and is changing the technical specifications of the following items:</p> <table border="1" data-bbox="844 1693 1461 2016"> <thead> <tr> <th data-bbox="844 1693 1144 1733">FROM</th> <th data-bbox="1153 1693 1461 1733">TO</th> </tr> </thead> <tbody> <tr> <td data-bbox="844 1733 1144 1895">C. One (1) Sphygmomanometer (aneroid type) (US made).	<b>C. One (1) Sphygmomanometer (aneroid type)</b>	D. One (1) unit Littman Stethoscope.	<b>D. One (1) unit Stethoscope.</b>
